THE BLACK BOY

Of Knowle

www.theblackboyknowle.co.uk

Pubs across England called The Black Boy are generally named after King Charles II. It was a nickname coined by his mother because of the darkness of his skin and eyes.

King Charles is credited with popularising champagne drinking and yachting in England.

The original Black Boy was closer to the Warwick Road than the building that stands today, the new premises were built in 1793 because of the new canal trade.

History marched on with the death of Nelson, the American Civil War, the fall of Napoleon and two World Wars. Throughout all these years the Black Boy has served the community and many famous customers cruising on the canal.

The Black Boy is now owned by the Rigby Family, who in 1993 restored it to earn a reputation as one of the finest public houses in the midlands.

Why not come and let our family serve your family.

QUESTIONS

Answered

DO I NEED TRAVEL INSURANCE ?

Please take out Travel insurance as soon as you book, even if you regard this as “just a UK trip” – why would I need it? Our terms and conditions state that you will lose your deposit if you cancel. If you cancel within 6 weeks of your trip, with your balance paid you will lose the full amount.

WHAT SHOULD I BRING ON BOARD ?

- Try to bring soft bags rather than suitcases as they are easier to store.
- Sunglasses and sun cream, especially for little ones.
- Rubber soled or nonslip shoes or trainers are a must.
- Some games or cards for that special Family Time.
- A camera or binoculars for those wildlife surprises.
- Food and Snacks
- We can also supply life jackets and pet buoyancy aids if requested.

IS THERE PARKING FOR MY CAR ?

Yes each boat has two parking spaces allocated, a member of staff will advise where to park.

IS IT DIFFICULT TO STEER A BOAT ?

When you come along we make sure you get some practice at steering before we let you loose. It's tiller steering, takes a little getting used to, but it's not difficult.

IS THE SPEED LIMIT REALLY 4MPH ?

Yes. You need to get used to the idea that you can enjoy life by going relatively slowly. 4 mph is a comfortable walking pace, so someone on the bank can keep up with you. The speed is set to minimize damage to canal banks, and disturbance to the whole host of wildlife that the canal is home to. And let's face it with the speed we all live our lives these days it has to be good just to slow down. And slower past moored boats!

HOW DO I CHOOSE WHICH BOAT ?

We have details of all the boats on our website, with photos to give you an idea of what they are like. Give yourself as much space as you can, it is nice not to have to make beds up every night, although that is less relevant for a weekend, and much more important if you are talking about a fortnight. If you would like some advice please email or phone and we are happy to talk through the possibilities.

IS THERE INTERNET ON BOARD ?

No, reception around the system varies. Your smart phone may well offer a good data connection. Many pubs offer free Wifi these days, or just tell them at work that you can't be reached, and enjoy turning off the technology!

CAN WE BRING OUR PET ?

Yes, of course.

LIKE A 5 STAR HOTEL

We hired both boats last week. Both boats are of a very high quality spec. Immaculately clean. Comfortable beds, lovely quality bed linen and towels, it was like staying in a 5 star hotel. Very well equipped. The communication between the owner was quick. I would recommend Warwickshire Narrowboat Hire for a comfortable enjoyable holiday.

AMAZING BOAT & SERVICE

Amazing boat and service. This is the first time I had hired a boat, and Dean showed us how to navigate and went through the first lock with us. The boat is in excellent condition with all mod cons. Great kitchen with comfy beds and a nice shower.

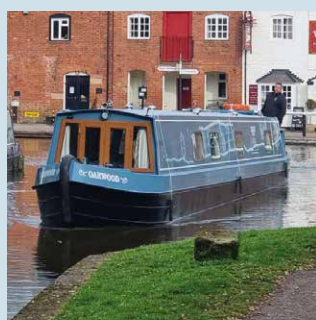

LOOKING FORWARD TO OUR NEXT TRIP

We hired Willow and had a lovely time. Everything was clean and in good working order. The kitchen was well equipped and the beds were comfortable. We received an instruction and were shown how to operate the locks. Looking forward to our next trip.

THE DECOR & FINISH IS EXCEPTIONAL

The best finished narrow boat I have seen or spent time on. I have already had 3 holidays on the Willow and plan to book more for the 2022 season. The decor and finish is exceptional with all the facilities you could need for an individual or a family of 6 like ours.

In such event except in the case of emergency the company shall be obliged to give you written notice of the change in sufficient time to allow any necessary re-planning of your itinerary and for you to organise any transport which is reasonably necessary for you and your party as a result of such change.
